A record of leadership in bringing the best
of biomedical discovery to the attention
of the world...

“ The Prix Galien is the right
event, on the right issue at the
right time. I thank the Galien
Foundation for bringing us
together and for recognizing
that a healthier world is a safer world and a
more just world. ”

BAN Ki-moon - 2010

“ I welcome you to the
annual Prix Galien awards
for innovative excellence
in biomedical products
and health technologies.

The awards are among the highest honors
in science and commerce. ”

Jimmy Carter - 2017

“ The Prix Galien is a prestigious
award, a magnificent occasion
to pay recognition to our
researchers and to encourage
our industry. ”

Jean Chretien - 1994

“ I am particularly grateful to
receive this award. ”

Bill Clinton - 2010

“ I know the importance of the
Prix Galien which rewards
every year therapeutic
innovations and research

works among the most creative.”

Emmanuel Macron - 2018

“ It is a pleasure to congratulate
all those who promote the Prix
Galien and pharmaceutical
research: they play a vital role
in the fight against disease

throughout the world. ”

John Major - 1996

“ The Prix Galien is a welcome
initiative to stimulate creative
research and promote
excellence. ”

Barack Obama - 2008

“ The Prix Galien since 1970 is
dedicated to promoting the
research and development
of the medicine

and medicine industries. ”

Macky Sall - 2018
